

"And when Jesus drew near, seeing Jerusalem, he wept over it, saying: 'If thou also hadst known, and that in this thy day, the things that are to thy peace; but now are hidden from thy eyes. For the days shall come upon thee: and thy enemies shall cast a trench about thee, and compass thee round, and straiten thee on every side, and beat thee flat to the ground, and thy children who are in thee: and they shall not leave in thee a stone upon a stone: because thou hast not known the time of thy visitation.' — LUKE, 19: 41-44.

ISRAEL MUST DIE !!!

A Sentence of Death

By FRED FARREL

The Republic of Israel was placed under sentence of death before it was born. Indeed, it was born only to be murdered. The stupid Yids themselves should have understood this long ago; but it is hard to pound anything into the thick head of a Zionist. They are so utterly consumed with blind, ignorant pride that their sense of reality is impaired. I myself knew, as long ago as 1940, how the Republic of Israel would be born and how it would die. The FACTS were not too hard for a sophisticate to come by. The REALITIES of the situation were quite beyond the mental range of the dolts, dotards, materialists, quacks, frauds, and charlatans who have run the American-Zionist Establishment for the last forty years.

Today the American-Zionist Establishment is being defeated around the world. There is a "Conspiracy" literature in the genre of Skousen's book "THE NAKED CAPITALIST" and Quigley's book "TRA-

"Jerusalem, Jerusalem, that killst the prophets, and stonest them that are sent to thee, how often would I have gathered thy children as the bird doth her brood under her wings, and thou wouldest not!"

— St. Luke 13:34

GEDY AND HOPE" which tells us that these unbeatable "Supermen" are inexorably marching to power over the world. In fact, they are all but defeated, and they are marching only toward the day when they will be dispatched to the next world in the form of radioactive isotopes. Francis Parker Yockey tells why in his essay "WORLD IN FLAMES."

Yockey says, "The basic reason for the diminution of power is spiritual-organic. Power will never stay in the hands of him who does not want power and has no plan for its use. Desire for revenge, desire to stop Hitler, desire to destroy Europe, desire to kill 80,000,000 Germans by the Morgenthau plan — all these are not will-to-power. Will-to-power means inherently the will to do something positive with that power, not the will to prevent something... The more superficial and direct reason for the diminution of power was political incapacity on the part of the Zionists, or Washington regime, as it is hereinafter interchangeably called. This incapacity manifested itself first in total incomprehension of the Russian soul, leading to the belief that this wild, chaotic, spirituality had surrendered itself permanently to the guidance of a small group of Jewish intellectuals."

In fact, by 1940 Russia had spawned a group of people called THE STALINISTS.

The Stalinists were not Communists. They were, like the man who gave their movement its name, incorrigible reactionaries. Josef Stalin was strictly "rough trade" in the morals department; he would scarcely meet the standards established by the Methodist Sunday School Board for Sunday School teachers; but he was one of the shrewdest power-technicians ever seen on God's footstool. Stalin did not spend his time worrying over obtuse problems of Marxist dialectic. Neither did he waste much time of day on dainty moral considerations. Stalin played THE POWER GAME all day long every day, and he PLAYED TO WIN. He had set out to create, behind a smoke screen of Marxist verbiage and Marxist insignia, a completely reactionary, intensely nationalistic, and racist-militarist regime in Russia. Under Stalin, Russia ceased to be a "Revolution" and began acting like a NATION. This in no way fitted in with Zionist plans for Russia. The Zionist plan was to reduce Russia to a satrapy ruled by remote control from New York.

The Zionists hated the "DARK MASSES" of Russia because they were always extremely reactionary. They were always against everything modern, Western, Progressive, or Liberal. Stalin eagerly courted the "DARK MASSES" even while he was kicking the Westernized intellectuals soundly in their teeth and sending them to firing squads by hundreds. Stalin won the support of the "Dark Masses" by promising to lead them against that dirty Whore of Babylon, that filthy and evil Sodom and Gomorrah of Judaized America. Stalin was

one politician who kept his campaign promises. Even while World War II was going on, Stalin was already planning World War III against America. While the chuckle-head Jews and Goy Liberals of New York and Washington were dreaming of a "World State with a World Court in Jerusalem," the Stalinists around the world were busy plotting MILITARY STRATEGY to beat America. They had high-ranking officials in the U.S. State Department as allies. They got the Yalta Pact, which tilted the military-strategic balance steeply in favor of Russia. Even then, they were already planning both the creation and the demise of the Republic of Israel.

It is probably a waste of time to try to pound any facts of life through the thick heads of Yids and Zionists. I saw clearly in 1940 how they were being taken by the Stalinists. The Stalinists were not all Russians. Quite a lot of them were Americans. In later investigations many of these Stalinists were mistaken for Communists, which they were not. The Jew-Marxists also mistook them for Communists and often worked closely with them, even when they were

"Wide is the gate and broad is the way,
that leadeth to destruction."

— Matthew 7:13

already digging the future grave of Israel. You have to understand WHAT, a Stalinist is, and the difference between a Stalinist and a Communist. Leon Trotsky tried hard enough in his shrill, angry way to tell the Yids in his book THE REVOLUTION BETRAYED. Stalinism was RUSSIANISM. It drew its power from the reactionary mass-dynamism of the "DARK MASSES" of Russia. It was intensely hostile to all of the purposes of Western Marxism. If you were a non-Russian, and you wanted to be a professional Stalinist, you had to understand that Stalinism had nothing to do with the World Revolution fomented by the Jews. Stalinism was Russian nationalism disguised under a cover of Marxist verbiage and Marxist insignia.

The high-level Stalinists who penetrated the American Establishment in the 1930's and 1940's were not Marxists or Liberals. They were reactionaries of the blackest kind. The Establishment itself had a sharp Leftist title during the Roosevelt years; but this was exactly what the Stalinists DID NOT have. Thus the Stalinists betrayed the Roosevelt Establishment which reposed so much ill-advised trust in them. Instead of working for Leftist aims, they worked night and day for REACTIONARY aims. One of those aims was the creation of Israel, so that it might be used as a cat's paw
